

Home Comfort MAKES A Poor Man Rich!

There is more misery in the world than need be, because people don't take advantage of opportunities. Good appearance is a paying investment in respectability. The world, as a rule, judges a man by the show he makes. Keep up appearances of prosperity! Prosperity wins respect; respect gets confidence and confidence brings success.

Constipation prevents the body from ridding itself of waste matter. DeWitt's Little Early Risers will remove the trouble and cure Sick Headache, Biliousness, Inactive Liver and clear the complexion. Small, sugar coated, don't gripe or cause nausea. R. W. Lanning, Ste. Genevieve, E. S. Lawbaugh, St. Mary's.

At the last meeting of the Southeast Missouri Teachers' Association it was resolved to hold the next meeting on Thanksgiving evening and the Friday and Saturday following, and that a special request be made to school boards to give the teachers Friday of Thanksgiving week on the condition of their attending the Association.

I wish to say that I believe it will pay school boards to grab this request. Give the teachers a reasonable chance to get out and see other teachers and hear what they have to say. Teachers who attend this Association ought to learn enough to more than pay for the loss of one day.

Very Respectfully,
J. S. MCGHEE.

How foolish we feel when we anticipate a speaker's remarks and then get left.

A woman with a silk lined dress doesn't object very much to muddy crossings.

We don't know why a bonfire smoke always goes in the wrong direction.

No man is so infernally ugly that he does not think some women will get stuck on him.

A new way to dodge paying a bill is to say you have no revenue stamp for your check.

Women like to keep a bit of interesting gossip secret about as well as they like to tell it.

Nobody does much work with as little results as a fisherman.

Nobody can look as cool and unconcerned as a boy about the second time he patronizes a barber shop.

If any more breakfast foods are invented there won't be much else needed.

Everybody that advertises some other beverage, says coffee and tea are poisonous.

A woman's idea of the way to please a man is by good cooking, and she is not far wrong.

When folks send their children away to school, the neighbors put in their time wondering how they can afford it.

People often make the mistake of thinking that schooling can make up for their children what the Lord forgot.

It rarely ever pays to hire a dollar cab to take a twenty five cent girl to a fifty-cent show.

There are some people one is always surprised to find busy at anything.

Some men seem to enjoy waiting a dollar's worth of time on a nickel's worth of business.

We have a notion to go away and see if people will be glad to see us come back.

Nothing does men as much good as home made cures for some little imaginary ill.

The trouble with so many men, is, if they ever do anything commendable, they never get through talking about it.

Probably if more men had more home made bread, there would be fewer crimes committed.

Nobody seems to enjoy a mass word in a story as much as a pious church member.

We may listen, but we generally think less of a man after he tells some family secrets.

When a widow acquires a pug dog, it generally indicates that it is the best she can do.

There is just as much difference in the way folks take kodak pictures, as there is in the way they sing.

A woman can never think of a much to say as she does when her husband is trying to read.

What were clug-stone peaches invented for, anyway?

The various kinds of health foods keeps a person busy keeping track of them.

Many church members like to tell about the short-comings of preachers in other denominations.

Lots of people make the mistake of thinking that they would succeed if they were rich.

A merchant who doesn't advertise, needs no sign "paint" when he has had painting done.

A man who appears unconcerned at a circus parade must have something the matter with him.

How natural it is for most of us to think that other folks are liars.

A barber is judged a good deal by the patches of whiskers he leaves in the corners of his customer's mouth.

Nobody need be afraid of hurting a tramp's feelings; it can't be done.

Lots of women fool away much time with a chafing dish, who won't so much as wash a skillet.

We don't object to inviting company when we have chicken, if only they do not eat white meat.

Every mistake a fellow makes causes ten times as much work as if it had been done right.

Nothing thrives like quack methods for healing the sick.

If folks seemed to care as little when we came home after a long absence, as they do when some people come back, we would stay away.

ALEX. MILLER.

The sooner a cough or cold is cured without harm, to the sufferer, the better. Languishing colds are dangerous. Hacking cough is distressing. One Minute Cough Cure quickly cures it. Why suffer when such a cough cure is within reach? It is pleasant to the taste. R. W. Lanning, Ste. Genevieve, E. S. Lawbaugh, St. Mary's.

Lung Irritation
is the forerunner to consumption. Dr. Bell's Pine-Tar-Honey will cure it, and give such strength to the lungs that a cough or cold will not settle there. Twenty five cents at all good druggists.

REMOVAL SALE.
We have still several C 1000 feet of rough lumber, principally joists, in our upper lumber yard which will have to be removed by Jan. 1, 1899, if not sold. We therefore reduce the price of lumber formerly selling \$1.40, \$1.50, \$1.60, now selling at \$1.10. Everyone needing lumber cannot miss such bargains. Respectfully,
J. FLAVER IMP & LBR. CO.

Parsnip Complexion.
It does not require an expert to detect the sufferer from kidney trouble. The hollow cheeks, the sunken eyes, the dark, puffey circles under the eyes, the yellow parsnip colored complexion indicate it.

A physician would ask if you had rheumatism, a dull pain or ache in the back or over the hips, stomach trouble, desire to urinate often, or a burning or scalding in passing it; if after passing there is an unsatisfied feeling as if it must be at once repeated, or if the urine has a brick dust deposit or strong odor.

When these symptoms are present, no time should be lost in removing the cause.

Delay may lead to gravel, catarrh of the bladder, inflammation, causing stoppage, and sometimes requiring the drawing of the urine with instruments, or may run into Bright's Disease, the most dangerous stage of kidney trouble.

Dr. Kilmer's Swamp Root, the great discovery of the eminent kidney and bladder specialist, is a positive remedy for such diseases. Its reputation is world wide and it is so easy to get at any drug store that no one need suffer any length of time for want of it.

However, if you prefer to first test its wonderful merits, mention the Ste. Genevieve FAIR PLAY and write to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle and book telling all about it, both sent absolutely free by mail.

Notice to Shippers:
I understand that it is rumored over some parts of the country that the people cannot ship goods from St. Mary's, but I wish to inform the people that this is false, as the boat makes regular trips, and if they did not the stock is taken just the same by rail at the same rate. Yours Truly,
